1866	DE THIERRY	Mr			The Clerk of the Court Mr De Thierry questions the accuracy of your correspondence report. Having been present I can vouch for the correctness of the main points of that report. I may add I was surprised after giving the two prisoners into custody for stealing to find within the hour they were free. Upon inquiry it appears Mr De Thierry acting upon his own responsibility had liberated them on bail. Will Mr De Thierry please say under what law he liberates prisoners charged with felony before they are brought before a magistrate or is he under the impression that "Maori girls" are entitled to more consideration than their sisters from the antipodes? – I am, &c W BLUNDON Raglan, December 12 1866	News-papers past Daily Southern Cross 17 December 1866 page 5
