The Drowning case at Mungaroa - Fall particulars of the sad fatality which occurred in the Mungaroa district yesterday morning reached town today from Constable McKinnon of the

Upper Hutt. The names of the two children who were drowned were William Burrell aged 3½ years and Joseph Burrell 6 years of age. They were the sons of Mr Thomas Burrell who together with his wife and family arrived from India some three months ago since which time he had purchased a farm in Whitemans Valley distant from his brother William's property near the Mungaroa River about three miles. Thomas Burrell his wife and their two (deceased) boys stayed at William Burrell's farm on Sunday night last and left there to return to their home in a two wheeled trap between 10 and 11 o'clock yesterday morning. In essaying to cross the ford at the Mungaroa River which was slightly in flood the breeching gave way causing the horse's hindquarters to get under the trap. The strain broke the belly bands and the struggling of the affrighted animal together with the swift current upset the vehicle throwing the occupants out. Mrs Burrell and her boys were swept down stream but after some time the mother was fortunate enough to grasp a log which was caught in the river and she was soon rescued by persons who had observed the catastrophe from the bank. The swollen river however carried the poor children past and beyond the outstretched hand of their agonised mother and they perished within sight of many persons. So far the bodies of the drowned boys have not been recovered but search parties are dragging the river

To the Editor – Sir In reading over your report of the sad drowning case in the Mungaroa river I was surprised to read the statement that they perished in sight of many persons when as a matter of fact they have never been seen as yet by any living person save their own parents since the trap upset nor was there anyone aware of the accident until Mr Thomas Burrell came shouting at the top of his voice to my house fully a quarter of a mile from the ford that he had lost his wife and all dear to him in this world. I hope sir you will kindly publish this as the statement as reported in your paper is misleading. I am &c

"E don't know where E are - Last Saturday the Weakly 'Arold repeated the inaccuracy in regard to the place of abode of Thomas Burrell the well-known sheep breeder of Wallaceville. Here is its latest misstatement on the subject - Mr Thomas Burrell's address is still Whiteman's Valley as for many years past. Unfortunately for 'Arold" the facts are against him. The following evidence is conclusive proof that 'Arold "don't know where 'e are". Hutt Parliamentary Roll No 901 Burrell, Thomas Wallaceville farmer. No 902 Burrell , Thomas William Wallaceville farmer. Mungaroa Riding Rate book No 220 Burrell Thomas Wallaceville. Wallaceville School District - The Wellington Education Board map of the various school districts .shows that Thomas Burrell's property is some distance inside the Wallaceville School District - Stones Directory gives Wallaceville – 24 m NE of Wellington Burrell Thos. Sheep farmer. And in the Alphabetical section Burrell Thos. Sheep farmer Wallaceville. The Post office Directory gives Wallaceville 24 m NE of Wellington Burrell Thos. sheep farmer. And in the Alphabetical section Burrell Thos. settler Wallaceville. Correspondence for Thomas Burrell is sorted into the Wallaceville mail box at the Upper Hutt post office and on Tuesdays and Fridays (the Wallaceville mail days) is sent to the Wallaceville post office for delivery. Further proofs of 'Arold's inaccuracy in the matter are at our disposal. 'Arold has apparently got his "iyre" at work.

#A Divorce Case - [United Press Association] Wellington February 15 - At the next sitting of the Divorce Court rather a peculiar case will be heard. Frederick Langdon a baker was married on September 27th, 1886 and on or about the 18th December following his wife left him and went to live with John Burrell a farmer at Upper Hutt and committed adultery with him. The petitioner prays for dissolution of marriage and £200 damages against Burrell. The respondent denies the adultery and states that the adultery if any was connived at and condoned by petitioner reference National Library of NZ Papers past website Grey River Argus 16 February 1887 page 2
