Upper Hutt Leader 09 May 1946

17 Years Chairman Of School Committee - Mr T Clyma and Trentham School - After 17 years at Chairman of the Trentham School Committee Mr T Clyma has resigned not seeking re-election this year. Mr Clyma joined the Trentham School Committee on 14th February 1929 and in April of the same year was made its Chairman which position he held continuously, having been elected every term to the same position. When he joined the Committee the Trentham School was only a small place of two rooms with about 80 pupils but during his occupancy of the chair he has seen the school grow to its present position with about 236 pupils. He was a great advocate for open air schools and Trentham was actually the first school in the North Island to install open air class rooms in its real sense. Another fine asset to the school has been the Swimming Bath which Mr Clyma and his committee did all possible to raise the necessary money to finance it (Mr J Purvis senior having first of all donated a certain sum to commence the Baths). Mr Clyma has been Chairman during the sojourn of six headmasters and all have had nothing but praise for his work for the school and the children. He has represented Trentham School on the Dental Clinic since its inception where he has also pulled his weight. As a member of the Upper Hutt Borough Council he has served under three Mayors Messrs McCurdy, Robertson and the present Mayor Mr J Blewman and it is hoped that he will continue to be a member of that body for many years to come.

At the Council meeting last week it was decided that a new street which runs parallel with Golder's Road be named after the late Mr Thomas Clyma who for many years was a member of the Upper Hutt Borough Council. The original suggestion by the bylaws and town Planning Committee was to name the Street McHardy in memory of the first licensee of Highland Home Hotel forerunner of Quinn's Post Hotel. Cr F P Keys against the suggestion and moved that the Street be named after the late Thomas Clyma to perpetuate his memory also to show the community appreciation of the services rendered by Mr Clyma during his life in Upper Hutt. A further Street connecting Golders Road was named Purvis St., also in recognition of the work of a former councillor Mr John (Scotty) Purvis.

#Neglected Children - Frederick Hoare and John McCarthy were brought before the Court as neglected children. Constable Youngmann Town Belt ranger stated that he found the lads on the Belt this morning at eight o'clock. They had kindled a fire and were preparing breakfast. They told witness they had been living on the Belt since Wednesday last. Mrs McCarthy stated that her son had run away in consequence of a disagreement with his master. He had always proved hitherto a good son. Regarding Hoare Inspector Mallard stated that in 1876 he was committed to the Industrial School and that on coming out he promised well but latterly had misconducted himself. His mother was a widow and a hard-working woman. The Bench committed Hoare to the Industrial School for twelve months to be brought up in the Church of England form of religion reference Papers past website Evening Star newspaper 18 August 1879
