The area under the control of the Hutt County Council is being reduced gradually with the rapid advance of settlement. Only three years ago Miramar broke away and became a borough in its own right. Eastbourne is even a later deserter from the patient local body. Now the Upper Hutt has decided it could look after itself better than is at present the case and a meeting of resident together with those of Trentham and Silverstream was held on Saturday evening to discuss the question of instituting a separate local body. On the motion of Mr G Brown it was that the time had arrived Town District should be formed and on Mr McCurdy's motion a committee consisting of Messrs McCurdy, Edwards, P D Davis, R Butler and J Bengé was appointed to prepare the necessary petitions to the nor praying for a local governing body to be set up in the Upper Hutt District. Mr G Shirtcliffe occupied the chair.
