Pakuratahi 01<sup>st</sup> May 1865

Dear Sir

Mr W Mason who lately bought from the Government Land adjoining me has in running off his boundary thrown me 4 chains Eighty or ninety Links onto Mr Walter Hoder (Hodder) and has Mr Walter Hoder (Hodder) had his run off by Mr W Corbet and as Mr Mason had Mr McManaway for the same purpose to the Surveyors who have been employed by the Government I should wish you to send some surveyor to at least lay off the boundary on the road frontage as it is there that the dispute is grounded as yet and ask they (the Surveyors) both profess to have taken the view as a guide the difference of 5 chains would indicate the need of caution on my part to avoid litigation that might be memoirs. I should therefore feel it as an obligation if you would help me in this matter at the same time it seems so ludicrous that two professed surveyors should make a difference of five chains in the measuring of twenty five or six chains added by interments that one would think that they mean four but as Mr Mason is improving that taken and Mr Hoders (Hodder) has warned me against improving the land on the other side I am compelled to treat it seriously.

I am Sir Yours Truly

David Hart Pakuratahia

To William Fitzgerald Esq. Land Commissioner Wellington NZ
