Hutt Valley Independent newspaper 21 March 1914

How shall I vote - On Wednesday next the electors of Upper Hutt will be called upon to elect one of the three candidates to the vacancy caused by the resignation of N J Bennington. None of the candidates can boast of any experience in local government matters. Only one of them has realised that it is the duty of a candidate to place his views before the electors at a public meeting. The others apparently content themselves with the kerbstone politicians methods, namely, buttonholing electors and promising to do this that or anything to secure an individual's vote. The candidate who faces a public meeting is not afraid to make known his view to all and does not hesitate to submit himself to the questioning of the electors. Those who shirk the ordeal of facing the electors at a meeting either have no policy or prefer to solicit votes by promising all sorts of things they have neither power, inclination, or ability to carry out.

The Candidates

Taking the candidates in the order of their nomination we find that the nominations were lodged in the following order -

Virgil McGovern nominated by J W Cudby, J Brown (NZR), J Harrison and H Shaw. Nominated paper lodged on Monday evening 16 March

Hedley Raynor PEARSON nominated by G I Bengé and W H Edwards. Nomination paper lodged on Wednesday morning 18 March

William Greig nominated by J Greenwood and E C Gornall. Nominated paper lodged on Wednesday morning

VIRGIL MCGOVERN

Virgil McGovern is a Young New Zealander born at Kaitangata (Otago), a quarter of a century ago. He was educated primarily at Kaitangata and Taita State Schools and afterwards attended a three years course at St Patrick's College. He has considerable interests at stake in the township, the McGovern properties being valued at over £5,000 for rating purposes. This candidate has taken a keen interest in local politics and sports for the past ten years. At the Biennial Election of 1912 he withdrew his nomination on the Advance Upper Hutt policy side so as to avoid splitting votes. On March 4th while travelling to Wellington W Greig suggested to V McGovern that if McGovern would stand for election, would not be a candidate. Seeing that at the close of last Monday's, town board meeting no one had been nominated. McGovern decided to become a candidate lodged a nomination. He is in favour of carefully thought out progressive measures and is averse to increasing the present rates on properties. He is announced to address a public meeting in the town hall on Tuesday next at 8 pm. It is only a few weeks since articles appeared in city papers deploring that young New Zealanders took such little interest in local politics. The present election affords an opportunity to the electors to give an active aspirant to town board honours a chance between now and next September's Biennial Election, to prove his fitness for the position and to show their confidence in this Young New Zealander was not misplaced.

#### HEDLEY R PEARSON

Hedley Raynor Pearson is a native of the North of England and came to this district some four years ago when he acquired Bickerton's news agency and hair dressing saloon. He dropped the latter nosiness after a time but added that of Fruiterer and tea rooms in Robinson's Buildings. Selling out all but the news agency to Mrs Hagan he continued the news business at his residence until recently when he re-opened as fruiterer and news vender in Boyd's building. At the last Biennial Election he retired in favour of H W Shaw. He is interested in two allotments and bungalow at the corner of Royal Street and the Main Road valued for Unimproved Rating at less than £200. He has not publicly expounded any policy and has only attended about half a dozen meetings of the local town board. He has twice made application for the position of Town clerk but on both occasions his application was not considered.

#### WILLIAM GREIG

This candidate is in the employ of the Government Railway Department as an engine driver and requires the permission of the head of that department under Amended Regulations issued in December last, before contesting a local election. He has shown, little or no interest in local matters save as a member of the School Committee. His attendance at town board meetings has practically been confined to those occasions on which word had been passed round by a certain coterie, to Roll up and see McCurdy get hell. He was an unsuccessful candidate at last by election, on which occasion he had five town commissioners and a number of No-License and Bible-in-State
