Upper Hutt Leader 04 October 1956

Many Long Years of Public Service Mr John Purvis - Mr John Purvis well-known to hundreds of people in Upper Hutt and Wellington as "Scotty" is about to retire from public life after over 20 years serving the Upper Hutt citizens. Mr Purvis was a member of the Upper Hutt Borough Council for 23 years and held the position of Deputy Mayor on more than one occasion also was Chairman of Works Committee for one term. He is probably better known as Upper Hutt's Hospital Board representative a position he has held for the past 23 years. Many people in Upper Hutt and district can well remember the many good turns he had done for them during those years arranging interviews with specialists taking people in his car to the hospitals for treatment and his great fund of humour to encourage patients. Members of the staff of the hospitals in the Wellington district all knew "Scotty" personally where he was well liked from the Superintendent down. His withdrawal from the position of Hospital Board representative will be a great loss to Upper Hutt and his place will be hard to fill. As a member of the Hutt Valley Electric Power Board for 15 years there again Mr Purvis watched the interest of the electors and at one time was chairman of the board. Yes "Scotty" Upper Hutt lifts their hat to you for your long and splendid service and express the wish your retirement from local affairs will leave you with better health for some years to come.

Upper Hutt Leader newspaper 01 August 1957

Mr J (Scotty) Purvis - The death occurred on Monday last of Mr John (Scotty) Purvis of Trentham aged 77 years. Mr Purvis who has been in ill health for some while will be remembered by many hundreds of people for his generosity to deserving cases. Born in Glasgow Scotland in 1880, Mr

Purvis attended St. John's School where one of the pupils at that time at the same school was the Rt Hon Mr Shinwell Cabinet Minister in the Labour Government. His Sunday School teacher was also a very well-known politician Bonar Law who became Prime Minister of England. Married in 1905 Mr and Mrs Purvis came to New Zealand in 1907 settling in Dunedin, where he remained until the 1st World War when he offered his service for a special branch of the Navy but was not accepted. However Mr Purvis joined the Army at Trentham where he became batman for the Camp Commandant Col Potter, and remained there until the end of 1918. Commencing in business at Trentham Mr Purvis then began to take an interest in local body affairs and in 1929 was elected to the Borough council and remained a Councillor until 1953 when he did not seek re-election. During his period as a Councillor Mr Purvis held the office of Deputy Mayor for two terms was also Chairman of Works Committee for a term. In 1935 he was elected the district's representative on the Wellington Hospital Board and served continuously until 1956, being chairman of the social welfare committee his term of office with the Hospital Board Mr Purvis was always out to help patients in the district by taking them in his car to and from the Hospital also kept his eye on the home to see that no one was in need of help. He has been known to look after babies in homes whilst the mother has gone to hospital for treatment as an outpatient. Yes he certainly will be missed. Other Interests of the late Mr Purvis was the local Unemployment Committee during the depression when he done untold good for many families up against it and was always ready to battle for better conditions for them all. As a member of the Wellington Free Ambulance for 14 years he was most popular with his fellow members and well-liked by the staff. The Hutt Valley Electric Power Board was yet another local body that Mr Purvis served on for 13 years being Chairman in 1952. The funeral took place yesterday at St John's Churchyard after a service conducted by Canon W M Smallfield to a very large congregation. The pallbearers were members of the Orange Lodge Local Bodies and relatives. Among those present were Messrs R H E Slacke (Mayor Upper Hutt), P Dowse (Mayor Lower Hutt), J Huggan (Mayor Petone), and J Gumming Hospital Board.

The passing of John Purvis "Scotty" to a very large circle of friends has removed from our midst a personality who has been in one way or another connected with the growth and development of the Valley over a long period and with the welfare of a great number of its citizens. He has been a member of the Borough Council for many years and has been Deputy Mayor and taken his part in all the work of the Council a member of the Hutt Valley Electric Power Board of which he was at one time Chairman a member of the Wellington Hospital Board and a member of the Wellington Free Ambulance Board. His connection with the Hospital Board brought him into contact with many who were in trouble or distress and there are many among us today who will be conscious of a very personal sense of loss at his passing. He was ever ready with advice or material help and it was well known that no one appealed to him in vain. His long record of public service and his unselfish approach to all who required assistance or advice have ensured that his name will live long in the memories of the people of Upper Hutt and of a wider area. He has set an example of service which should be an inspiration to us all and we are all united in extending to his family our deepest sympathy. Au revoir Scotty Upper Hutt salutes you. R H E Slacke Mayor.
