Accident – We regret to learn that an accident of a somewhat serious character occurred on Monday evening at the Hutt Bridge by which one of Mr Spackman's sons was severely injured. It would appear from what we can learn through several gentlemen who chanced to be riding by at the time that the injured man was driving a team of horses in a empty timber waggon and when descending the slope from the bridge towards Whitewood's Hotel he fell from the shaft upon which he was sitting and both wheels of the vehicle passed over his body. Upon being taken to the hotel medical assistance was quickly obtained but up to the present time we have been unable to ascertain the extent of the injury he received.

Otaki has lost by death a very well-known settler in the person of Mr George Spackman who in the early days was known as the doctor from the faith reposed in his knowledge of medicine and surgery by the natives. In those early days doctors were not as thick as blackberries and any person who had any knowledge of medicine was highly prized. He was known for his kindness and attention all round Otaki and his death will be much regretted though he had attained the age of 79
