

1880-1889 Upper Hutt Residents

The early New Zealand censuses were destroyed in the 1960s. I have tried to recreate a type of census for the Upper Hutt residents covering the period between 1880 and 1889 but only for the Upper Hutt district. Additional sources used and information are saved at the end of this document.

I have transcribed the 1880-1881 & 1883-1884 Wises Directories so far.

SEARCH and transcribe 1885-1886 & 1887-1888 Wises directories and perhaps also the Electoral Rolls for 1890

Additional information and sources

The early New Zealand censuses were destroyed in the 1960s. I have tried to recreate a type of census for the Upper Hutt residents covering the period between 1880 and 1889 but only for the Upper Hutt district.

Early New Zealand directories can be found on microfiche and in some published books held at the Heritage centre, Petone Library, Hutt Valley and National Library of New Zealand Wellington. The Directories are also available on the paid website Ancestry.com but is available free from charge at the Hutt and Upper Hutt Libraries.
