09 August 1950 = Letter Ministry of Works to Department of Land and Survey

Re G B Bull's property Silverstream

This Department is at present negotiating for purchase of property containing 166 acres 0 rood 14.41 perches being part of Sections 81, 82 & 191 Hutt District owned by Mr G B Hull.

The property will be affected by the extension of the Hutt Valley Railways and also at some later date by motorway and highway proposals.

It is indefinite as to when the Department will enter on the property for constructing the railway but it will not be within the next 18 months and the motorway and highway proposals are quite indefinite.

Mr Hull employs a Manager to run the property and milks for the town supply. I understand the stock consists of two horses, 32 cows and young stock.

If the property is purchased it is proposed to hand it over to your Department to administer, It would of course be most desirable to keep the property in full production for as long as possible and it has therefor occurred to me that it may be preferable to purchase the stock and plant together with the property as a going concern rather than to have Mr Hull sell up his stock and plant and then have to re-stock the property. Possibly your Department might even desire to keep the Manager on the place in your employ.

Only a small portion of the property will be required for railway purpose and it may be that thereafter it could be farmed as a single unit until such time in the future as it is further affected by any proposed works. I am not in a position to say yet whether the property will be workable as an independent farm after the railway has been constructed.

Will you kindly consider the question as to whether you think the stock and implements should be purchased with the property and the Manager kept on.

As this question affects the negotiations with Mr Hull I should be glad of a reply as soon as possible

27 September 1950 = Commissioner of Works to Department of Lands and Survey (brief)

I have to advise an agreement has now been reached with Mr Hull for the purchase of his property and settlement will take place in the near future.

The purchase includes the high pressure pump and motor on the property but does not include the milking machine or any other plant or machinery and also does not include any of the stock.

27 September 1950 = Rehabilitation Department to Department of Lands and Survey (brief)

Mr Scott examined property regarding the establishment of a temporary ex-serviceman sharemilker, Mr G Cottle chairman of Wellington Rehabilitation Farming committee inspected property opinion was that the property could not be utilised because / new highway to Upper Hutt bisect the section adjoining St Patricks College / three houses on property are tenanted / milking plant not in good condition / Wairarapa Railway line also bisect a portion of the farm / access to areas has not been considered

09 December 1959 = Ministry of Works (brief)

Proclamation NZ Gazette 28 May 1959 No 31 page 683 areas totalling 166 acres 0 roods 14.41 perches were taken for better utilization. The land formerly owned by G B Hull and a total compensation paid was £18,750. Portion of the said land has been set aside for railway purpose (Hutt Valley Duplication) and a substantial area is occupied by the Department of Agriculture and an area of approximately 26 acres is now surplus to Department requirements.

An assessment of the original purchase price of £18,750 indicates that flat land for a depth of two chains from the highway was valued at £400 per acre other flat land at £150 per acre and hill land £5 per acre.

An area of approximately 26 Acres referred to above contains approximately 1½ acres of the best flat land approximately 6 acres of the second class flat land and approximately 18½ acres of the hill land making a block value of the total area approximately £1,600.

An area approximately 1 acres 2 rood 10 perches being portion of the above land is leased to Mallaby Mills Limited, and the balance is required by the Hutt County Council and the Upper Hutt Borough Council jointly as a controlled rubbish dump.
