

UPPER HUTT STREET NAME ORIGINS MASTER

I first began transcribing the address from the index and maps on the 27th Edition of the local 2014-2015 Upper Hutt directory. I continued adding to the list by researching at various repositories which included the Upper Hutt City website, Hutt City website, Archives NZ Wellington (Survey and Land Department records), Wises New Zealand Post Office Directories, New Zealand Electoral Rolls, newspaper collections searchable on Papers past website, *Upper Hutt The History* by J A Kelleher, local publications, various other websites and information from Upper Hutt residences.

This is a work in progress document and as time and information becomes available additional information will be added. I am happy to receive any additions and/or alterations to the list below. An Upper Hutt Leader newspaper article stated that the naming of new streets in Upper Hutt was the responsibility of the Parks and Reserves Department of the Upper Hutt City Council.
