

1885-1897 SCHOOL PUPILS IN UPPER HUTT DISTRICT

[0] Archives NZ Wellington Register of Inwards Letters July 1874 – October 1878 reference ADEX 16411 EB-W7 1

This volume has an alphabetical list in the front but individual school are not listed. The list gives you a page number. The page number details date letter was received, by whom, their residence and subject of the correspondence. I do not know if the letters have survived and/or how to order the individual letters. Until I have a full list of the teachers and/or school committee members in the Upper Hutt district I decided to return the register. In time when I have created a full Upper Hutt list then I will reorder the registered and continue this line of research.
