Motor Trade Pioneer died in Milton
Mr J G Leckie a Milton resident who had been instrumental in setting up the motor trade in Milton had died aged 84.
Mr Leckie arrived in Milton in 1919 and shortly took over a local garage expanding the business into the well-known establishment Leckie's Motors.
Milton's first heavy motor transport business was started by Mr Leckie in 1924 with a solid-tyred truck. It was from an amalgamation of this and other transport business in the town that Milton Transport Ltd developed.
Mr Leckie was a keen participant in boxing championships and around 1915 won trophies in the Otago and Southland bantamweight and featherweight championships.
He was also a member of the 2nd Machinegun Battery and the Otago Infantry and served in France. Mr Leckie was the last surviving member of the Bruce Returned Soldiers Club a forerunner of the Returned Service Association.
Mr Leckie was a keen supporter of local organisations and clubs. He was a member of the Lodge St John 461 and Bruce Royal Arch Chapters and had served on the Milton Borough Council.
In earlier years Mr Leckie was an active golfer, and the Leckie cup named after him is one of the oldest and most sought after cups in the local gold club. More recently he took up fishing as a hobby.
Mr and Mrs Leckie celebrated their diamond-wedding anniversary on May 26 last year.
Mr Leckie is survived by his wife and three sons.
