#### Cochrane Entries - Lasswade Old Parish Registers Scotland

CM = Christening Male  
CF = Christening Female  
BM = Birth Male  
BF = Birth Female  
M = Marriage / Banns  
Date of event

Spelling is as per the "Scots Origins" online database. Some entries were duplicated on the original General Register Office database as spellings of surnames were unclear on the old handwritten registers. This also explains the obvious incorrect spellings of some names which have not been corrected on this list in order to protect the integrity of the original information
