**Never married died young**

The family history of the twins  
Ruby MANSSEN

On the 03 June 1892 Stoke a second set of twin was born to Charles and Emma MANSSEN. They were Ruby and May MANSSEN. These children were also the last to be born to Emma and Charles. Emma was 38 years old at the time of the birth and Charles was 44 years old.

Two days later on the 05 June 1892 Ruby and May died. The cause of death was debility from birth. Their father a Labourer living at Stoke was the informant and stated he was present at the time of death. They were buried on the 06 June and the witnesses at the burial were John BEATTIE and W O CRESSWELL. Charles registered their deaths on the same day.
