

## Olive (Ollie) STRANGE and her Genealogy (weblink OG Strange Genealogy)

Some old photographs originally belonging to Ollie STRANGE were found in the home of the late Rita MANSSEN. Ollie boarded with Rita for many years and Ollie's photographs had been left behind after her death. While settling the affairs of the late Rita we began researching the ancestors of Ollie so we could pass on the photographs to her next of kin and/or their descendants. These photographs have now been passed on to her relatives.
