1912-1939

Rev Mother Mary AMBROSE was in charge of St Joseph's Orphanage - Industrial School from 1910 to 1940. Information regarding the sources and references of the teachers and children attached to the St Joseph's Orphanage – Industrial School are recorded at the end of this document. The records cover 1912 to 1939. I have transcribed the 1938 and 1939 school schedules but have not placed the details on the website due to the privacy act. I have followed the New Zealand Registrar General Office criteria of 80 years for release of death information.
