A concert and dance of a very enjoyable character was held in the Kaitoke School room on Wednesday evening the proceeds of which went to purchase prizes for the school children.

It was well patronised by the residents of the district and was also favoured by Mungaroa and Upper Hutt settlers who came per train and vehicle to partake of an evening's recreation. The pianoforte was presided over by Mr James Martin sen., and Mr Charles Herley played violin. Mr Martin was relieved occasionally by his daughter Miss H Martin who gave some very choice selections. Mr Martin's rendering of "Happy Daddy" created much amusement. Some other ditties of the sublime and ridiculous were gone through together with some very expressive and touching solos and duets. The refreshments provided were of a very enticing description and no doubt added to the comfort and enjoyment of those present. Dancing was kept up to a late hour and the whole affair was a through success.

The Kaitoke School Squabble – John O'Brien, schoolmaster of Kaitoke for whose apprehension a warrant was issued yesterday on a charge of intending to desert his wife surrendered himself to the police yesterday afternoon. The information had been laid by his wife on the supposition that he was about to leave the colony but it appears that though he did leave Wellington by the Mararoa on Monday he only intended to go as far as Lyttelton and he actually returned by the Rotorua on the following day. Learning that the warrant had been issued he consulted Mr Gray on whose advice he gave himself up and was remanded on bail until this morning. On resuming to-day the informant was not in attendance and Mr Gray therefore asked that the information should be dismissed as there was no proof of the defendant's intention to leave the colony. His Worship dismissed the case but remarked that this would not debar the informant from renewing the proceedings if she chose. Mr Gray informed the Court that O'Brien had lately been at loggerheads with some members of the Kaitoke School Committee. On Saturday night some of the Committee men held a meeting and resolved to suspend him until they should communicate with the Education Board. On Monday morning O'Brien came to Wellington for advice and was told by the Secretary of the Education Board that he could have a holiday until the matter was investigated. Mrs O'Brien learned that he had gone to Lyttelton and assuming that he was leaving the colony she laid an information and obtained a warrant for his arrest. Mr Gray complained that his client had been held up to public scorn and degradation by these proceedings and that his case had been prejudiced in the eyes of the Education Board as he had practically been represented as a criminal fleeing from justice. As to his alleged desertion of his wife the fact was that she had left him and had refused to hold any communication with him beyond sending him a letter threatening proceedings for judicial separation.

At the meeting of the Board of Education on Wednesday last the Chairman (Mr J R Blair) and Messrs P H. Fraser and A W Brown were appointed a committee to hold an enquiry into the difficulty between the Kaitoke School Committee and Mr John O'Brien master of the local school. Mr Brown was unable to act and Messrs Blair and Fraser accordingly conducted the

enquiry, which was held in the schoolhouse yesterday. Mr O'Brien was not present nor was he represented by anyone. A number of witnesses came forward in support of the petition for the removal of the master but no evidence was offered on behalf of Mr O'Brien although Messrs Blair and Fraser made it known to the residents that they were prepared to take any that might be prepared. A special meeting of the Board of Education is to be hold on Tuesday to consider the request of the committee. The school is still closed.

The Kaitoke School Difficulty - Summary dismissal of the Master - A special meeting of the Board of Education was held this morning for the purpose of considering the report of the Committee appointed to inquire into the circumstances connected with the difficulty between the Kaitoke Committee and Mr John O'Brien the master of the local school. There were present Messrs J. K. Blair (chairman), F H Fraser, H Bunny, G Beetham, A W Brown, and Rev. J Paterson. The Committee submitted the following report "In accordance with the resolution passed by the Board at its meeting on the 28th ultimo, relative to the case of Mr O'Brien we proceeded on the 30th to Kaitoke where we held an enquiry in the schoolroom. The evidence as taken down by the Secretary of the Board and attested by the witnesses is appended herewith. It speaks for itself and contains all that is required to enable the Board to take such action as it may deem suitable. The Committee recommend that Mr John O'Brien teacher Kaitoke be summarily dismissed from the service of the Board. - J B Blair, Francis H Fraser. Mr Bunny moved the adoption of the report. The resolution was seconded by Mr Beetham and agreed to unanimously. Mr Fraser said that Mrs O'Brien had been left without a penny in the world and was anxious to know whether the Board would advance her the last month's salary earned by her husband. The Chairman said the Board would hold the money until they got a personal receipt. Mrs O'Brien's proper course was to apply to the Magistrate's Court for a maintenance order. Mr Bunny pointed out that if she did that she might get possession of the money which the Board was holding. The Chairman stated that when he was at Kaitoke he got the Chairman of the Committee to make it known that evidence would be accepted on behalf of Mr O'Brien as well as against him. No witnesses however came forward on the master's behalf nor was he present consequently the whole of the evidence was against him. This terminated the proceedings. Mr Chatwin until recently a student at the Training College has been appointed to the temporary charge of the school and it was re-opened by him yesterday. A permanent successor will be advertised for at once and it is expected that an appointment will be made at the next meeting of the Board. Mr O'Brien's present whereabouts are still unknown. From a gentleman who knew him intimately we learn that before he disappeared so mysteriously he was in possession of about £500 cash the proceeds of a sale of some property which he had owned.

Scene in the Magistrates Court - John O'Brien speaks his mind. A scene occurred in the Magistrate's Court this morning when the case against John O'Brien the ex-schoolmaster of the Kaitoke School charged with intending to desert his wife was called on. The Clerk of the Court read the charge to which O'Brien answered Not Guilty. Then turning excitedly to his Worship he said I consider you are not fit to hear my case because you are prejudiced against me. Mr Wardell = For what reason. O'Brien = For every reason. Mr Wardell = Nevertheless I am going to hear the case. O'Brien (pacing the dock in an angry manner) I have very good reason to believe you have learned from my wife in your private room the facts of the case. You are not fit to sit on the bench in this case. The accused then added some further remarks of an offensive character. Mr Wardoll = Is your wife in Court. O'Brien. Perhaps you are in a better position to tell me where she is (bowing to the Bench). Mr Wardell (to Mr Gray) = Are you appearing for O'Brien Mr Gray? Mr Gray = No your Worship I have received formal notice that my services will no longer be required. I understand however that Mr Skerrett has been retained on behalf of Mrs O'Brien but he is at present away at Wanganui. Mr Wardell = Then I had better let the case stand over until his return. It is useless proceeding with it now. O'Brien (excitedly) = Oh very well. Mr Wardell (to the

constable) = Will you remove him? (Aside) = His trip from Sydney has evidently disagreed with him. O'Brien then left the box with a stately bow and the single remark Thank you.

Consolidation Issue - A letter from the Kaitoke School Committee read at today's meeting of the Wellington Education Board stated that for some time there had been growing dissatisfaction at the quick changes of teachers and the lack of competition because of the smallness of the school. It was felt by all concerned the letter added that under such conditions the children were getting far from a reasonable chance to gain real benefit from their primary education. A parents meeting had unanimously decided to ask the board to arrange for consolidation on the Upper Hutt School. The chairman Mr W V Dyer said that after the Kaitoke School had been burnt down the school had been moved to the Te Marua School and the two schools were conducted independently in the one building. If the Kaitoke children went to Upper Hutt they would have the benefit of attending a larger school and the same thing applied to Te Marua. In the latter case however the parents some years ago had been unanimously against consolidation. It was decided to send on the Kaitoke application to the Education Department and to reopen with the Te Marua parents the question of consolidation.

#The Kaitoke School Squabble – John O'Brien, schoolmaster of Kaitoke for whose apprehension a warrant was issued yesterday on a charge of intending to desert his wife surrendered himself to the police yesterday afternoon. The information had been laid by his wife on the supposition that he was about to leave the colony but it appears that though he did leave Wellington by the Mararoa on Monday he only intended to go as far as Lyttelton and he actually returned by the Rotorua on the following day. Learning that the warrant had been issued he consulted Mr Gray on whose advice he gave himself up and was remanded on bail until this morning. On resuming to-day the informant was not in attendance and Mr Gray therefore asked that the information should be dismissed as there was no proof of the defendant's intention to leave the colony. His Worship dismissed the case but remarked that this would not debar the informant from renewing the proceedings if she chose. Mr Gray informed the Court that O'Brien had lately been at loggerheads with some members of the Kaitoke School Committee. On Saturday night some of the Committee men held a meeting and resolved to suspend him until they should communicate with the Education Board. On Monday morning O'Brien came to Wellington for advice and was told by the Secretary of the Education Board that he could have a holiday until the matter was investigated. Mrs O'Brien learned that he had gone to Lyttelton and assuming that he was leaving the colony she laid an information and obtained a warrant for his arrest. Mr Gray complained that his client had been held up to public scorn and degradation by these proceedings and that his case had been prejudiced in the eyes of the Education Board as he had practically been represented as a criminal fleeing from justice. As to his alleged desertion of his wife the fact was that she had left him and had refused to hold any communication with him beyond sending him a letter threatening proceedings for judicial separation reference National Library of New Zealand Papers past website Evening Post newspaper 22 September 1887 page 2

#At the meeting of the Board of Education on Wednesday last the Chairman (Mr J R Blair) and Messrs P H.Fraser and A W Brown were appointed a committee to hold an enquiry into the difficulty between the Kaitoke School Committee and Mr John O'Brien master of the local school. Mr Brown was unable to act and Messrs Blair and Fraser accordingly conducted the enquiry, which was held in the schoolhouse yesterday. Mr O'Brien was not present nor was he represented by anyone. A number of witnesses came forward in support of the petition for the removal of the master but no evidence was offered on behalf of Mr O'Brien although Messrs Blair and Fraser made it known to the residents that they were prepared to take any that might be prepared. A special meeting of the Board of Education is to be holden on Tuesday to consider the request of the committee. The school is still closed reference National Library of New Zealand Papers past website Evening Post newspaper 01 October 1887 page 2

#The Kaitoke School Difficulty - Summary dismissal of the Master - A special meeting of the Board of Education was held this morning for the purpose of considering the report of the Committee appointed to inquire into the circumstances connected with the difficulty between the Kaitoke Committee and Mr John O'Brien the master of the local school. There were present Messrs J K Blair (chairman), F H Fraser, H Bunny, G Beetham, A W Brown and Rev. J Paterson. The Committee submitted the following report In accordance with the resolution passed by the Board at its meeting on the 28th ultimo relative to the case of Mr O'Brien we proceeded on the 30th to Kaitoke where we held an enquiry in the schoolroom. The evidence as taken down by the Secretary of the Board and attested by the witnesses is appended herewith. It speaks for itself and contains all that is required to

enable the Board to take such action as it may deem suitable. The Committee recommend that Mr John O'Brien teacher Kaitoke be summarily dismissed from the service of the Board. J B Blair, Francis H Fraser. Mr Bunny moved the adoption of the report. The resolution was seconded by Mr Beetham and agreed to unanimously. Mr Fraser said that Mrs O'Brien had been left without a penny in the world and was anxious to know whether the Board would advance her the last month's salary earned by her husband. The Chairman said the Board would hold the money until they got a personal receipt. Mrs O'Brien's proper course was to apply to the Magistrate's Court for a maintenance order. Mr Bunny pointed out that if she did that she might get possession of the money which the Board was holding. The Chairman stated that when he was at Kaitoke he got the Chairman of the Committee to make it known that evidence would be accepted on behalf of Mr O'Brien as well as against him. No witnesses however came forward on the master's behalf nor was he present consequently the whole of the evidence was against him. This terminated the proceedings. Mr Chatwin until recently a student at the Training College has been appointed to the temporary charge of the school and it was re-opened by him yesterday. A permanent successor will be advertised for at once and it is expected that an appointment will be made at the next meeting of the Board. Mr O'Brien's present whereabouts are still unknown. From a gentleman who knew him intimately we learn that before he disappeared so mysteriously he was in possession of about £500 cash the proceeds of a sale of some property which he had owned reference National Library of New Zealand Papers past website Evening Post newspaper 04 October 1887 page 2

#Scene in the Magistrates Court - John O'Brien speaks his mind. A scene occurred in the Magistrate's Court this morning when the case against John O'Brien the ex-schoolmaster of the Kaitoke School charged with intending to desert his wife was called on. The Clerk of the Court read the charge to which O'Brien answered Not Guilty. Then turning excitedly to his Worship he said I consider you are not fit to hear my case because you are prejudiced against me. Mr Wardell For what reason O'Brien For every reason Mr Wardell Nevertheless I am going to hear the case. O'Brien (pacing the dock in an angry manner) I have very good reason to believe you have learned from my wife in your private room the facts of the case. You are not fit to sit on the bench in this case. The accused then added some further remarks of an offensive character. Mr Wardoll Is your wife in Court. O'Brien Perhaps you are in a better position to tell me where she is (bowing to the Bench). Mr Wardell (to Mr Gray) Are you appearing for O'Brien Mr Gray. Mr Gray No your Worship I have received formal notice that my services will no longer be required. I understand however that Mr Skerrett has been retained on behalf of Mrs O'Brien but he is at present away at Wanganui. Mr Wardell Then I had better let the case stand over until his return. #Castle Point Education District. We are given to understand that the Education Board have appointed Mr George Louis Vincent to the scholastic change of the Castle Point District and that he will commence his duties so soon as the Rev Mr Andrew, the member for the district has arranged with the settlers as to the most suitable and convenient mode of carrying out the peripatetic system. Mr Vincent is a gentleman who was educated at Trinity College Dublin and belongs to a family of teaching proclivities several members of which have attained to eminence in the profession and Mr Vincent himself brings very testimonials from the last school where he was engaged in teaching. This travelling system of teaching being new to this part of the colony must be looked on in the light of an experiment the success of which will greatly depend in the cordial co-operation of the parents themselves and being the first instalment merely of what we must term justice to the outlying ratepayers we trust that the results will be such as to encourage the extension of the principle in other quarters where the population is too scattered to maintain a fixed school and we shall watch its progress with considerable interest reference Papers past website Wairarapa Standard 26 September 1874 page 2
