Land Sale - At the sale by auction held by Messrs Harcourt and Co. yesterday afternoon the building sites in Thorndon were not disposed of and are now open for private sale. For the farm of 30 acres at the Upper Hutt the competition was good. Starting at £230 it rose by bids of £10 and £3 until finally it was knocked down at £335 to the bid of Mr Frederick Anderson a recent arrival from the Chatham Islands.

Application for Naturalisation

Polina Anderson of Upper Hutt Native of Norway resident in the Colony 29 years applies for naturalisation. As applicant is 65 years of age it is probable that the application for Letters of Naturalisation is made with a view to claiming an Old-age Pension. In answer to the usual inquiry as to whether she is married she admits she has not married to the man with whom she has been living for the last 28 years (see her letter attached). The Certificate as to Character is given by a Justice of the Peace who has only known her for 14 years and who is probably not aware that she is not married to the man with whom she is living.
