He was called in the ballot twelve months ago classed C2 re-examined later and classed C2. His farm consisted of 500 acres, 100 acres freehold and the balance leasehold. The leasehold land belonged to his father to whom he paid £250 a year rent. He milked about 40 cows and had 400 sheep and had 80 head of steers and heifers: He had a younger brother who went into camp as a voluntary recruit in December 1916 and was still in camp. Since he went appellant had had to work the farm with such assistance as he could get. His father lived at Upper Hutt he was unable to do any work.
